I have sourced a new box supplier who is prepared to make our replica boxes in small quantities.

Boxes come complete with inserts/dividers and a self-adhesive label where stated. Blank labels are printed with the TTR logo. The remaining boxes in the picture (Ruston diesel shunter, 0-4-0 tender loco and the Liliput long wood-grain finish coach boxes) were part of the stock produced by the previous supplier.

I plan to extend the range as time and money allow. Out of stock (o/s) items will be replenished in due course.
